Wheels on the Move Driving with Andy (Ages 18 months-3 years)

This class is designed for children to attend with parents/caregiver.

Start your engines! Join Andy the car and his four-wheeled friends as they motor around town on a Saturday morning. Young children will relate to this familiar car trip as they go to the gas station, the repair shop, and the grocery store. Two and three-year-olds will be encouraged to use their imaginations to ride, drive, and fly imaginary cars, trains, buses, and planes. They will have fun coming up with creative new verses to songs and rhymes. Each child will drive, honk, bounce, shake, tiptoe, zoom, dance, chugga-chugga, stomp, shuffle, and soar!

The home kit includes a beautiful hardback book with a delightful story, and a CD of fun-filled adventure songs. It also includes a car that looks just like Andy and a four piece foam puzzle mat. Your child will enjoy playing for hours with this "pull back and vroom" car, zipping it around the foam mat.
